

NEW HORIZON SCHOOL - LOS ANGELES
PRESCHOOL & PRE-KINDERGARTEN

NHSLA | OUR MISSION

New Horizon School - Los Angeles is committed to delivering high quality academic education, nurturing spiritual growth, and inspiring compassion through the teachings of Islam.

NHSLA | PROGRAM OVERVIEW

Our Preschool and Pre-Kindergarten programs build on the immense learning and growth that happens in a child's early years by leaning into their natural curiosity and creativity. We also begin laying the foundation for a strong American Muslim identity.

We believe in nurturing the whole-child and all aspects of their development: social, emotional, cognitive, physical, and spiritual.

NHSLA | DAILY SCHEDULE

7:45 AM - 5:30 PM

- Reading Time

WHY NHSLA? | HANDS-ON CURRICULUM

NHSLA follows a child-centered approach that honors the varying needs and abilities of each child. We believe students learn best by "doing" and utilize engaging hands-on activities across subjects.

Students also receive individual assessments throughout the year to monitor their progress towards Kindergarten-readiness.

- Arts & Crafts
- Music & Movement
- Interactive Science
- Pre-Math
- Pre-Literacy
- Sensory Play
- Manipulative Play

WHY NHSLA? | ISLAMIC STUDIES & ARABIC

The Islamic Studies curriculum focuses on building the foundation for a strong American Muslim identity by:

- Instilling a love for God and God's Prophets
- Teaching values and manners
- Supporting in learning duas and Quran in order to independently recite verses

The daily Arabic immersion lessons include interactive and guided-instruction for students to acquire vocabulary and comprehension skills.

WHY NHSLA? | ENGAGING FIELD TRIPS

At NHSLA, learning experiences go beyond the classroom. Whether it's the Discovery Center at the Natural History Museum, an interactive animal show or an Earth Day nature trail, our students get the opportunity to learn about the world up close while having a great time!

WHY NHSLA? | PARENT TESTIMONIALS

Our son just started Preschool and we have already seen a huge growth in his social-emotional and language skills. He comes home singing songs in Arabic and reciting Surahs.

- *Anonymous, Preschool Parent*

NHSLA has been instrumental in my child's growth. Since starting at New Horizon, our son has made great strides in his academic development and mannerisms. We will definitely be enrolling our youngest in the school [when he is old enough].

- *Zain, Preschool Parent*

Putting our children in New Horizon School - Los Angeles has been the best decision that we have made for our family! The teachers are so loving and caring, and our kids are learning Islam and Arabic, and memorizing Qur'an in a classroom setting--which is an absolute blessing, Alhamdulillah. Thank you NHSLA for providing a loving environment for our children and a place for them to make long lasting Muslim friendships, Insha'Allah.

- *Nouran, Preschool & Pre-K Parent*

The teachers are so caring and are great about adapting teaching methods to suit each child's abilities and learning preferences. Our kids have thrived and learned so much, especially in their understanding of religion. They love God and are able to connect religious ideas with concepts they see in other [subjects]. They have so much fun at school!
