WHY NHSLA? | ACADEMICS

NHSLA has an enriching academic program that helps students grow into curious and confident learners while developing academic competence. In Kindergarten, students begin to build their foundational knowledge for core academic subjects, including Reading, Language Arts, Math, Science, and Social Studies. With small class sizes, students are able to receive more individualized attention and teachers are able to tailor activities based on students' needs and understanding.

WHY NHSLA? | ISLAMIC STUDIES & ARABIC

The Islamic Studies curriculum focuses on building the foundation for a strong American Muslim identity by:

- Instilling a love for God and God's Prophets
- Teaching values and manners
- Supporting in learning duas and Qur'an in order to independently recite verses

The daily Arabic immersion lessons include interactive and guided-instruction for students to acquire vocabulary and comprehension skills.

WHY NHSLA? | SCHOOL EVENTS

To support our academic curriculum, NHSLA features a wide variety of activities and school-wide events to deepen student understanding. Students partake in various events in order to develop important skills such as collaboration, communication, and leadership.

Events

- Mosque Festival
- Literacy Day
- Qur'an Challenge
- Hajj Simulation

WHY NHSLA? | AMERICAN MUSLIM IDENTITY

It is important to us that our students are proud of their American Muslim identity and view themselves as valuable citizens in this country. Across subjects, students learn about the contributions of Muslims throughout the world and history. We have had prominent American Muslim role models – including law makers, athletes, and film directors – speak with our students and serve as inspiration for what they can achieve.

WHY NHSLA? | ENGAGING FIELD TRIPS

At NHSLA, learning experiences go beyond the classroom. Whether it's touching sea critters at the Aquarium of the Pacific or picking fruits and veggies at Underwood Family farms, our students get the opportunity to learn about the world up close while having a great time!

WHY NHSLA? | PARENT TESTIMONIALS

Putting our children in New Horizon School - Los Angeles has been the best decision that we have made for our family! The teachers are so loving and caring, and our kids are learning Islam and Arabic, and memorizing Qur'an in a classroom setting--which is an absolute blessing, Alhamdulillah. Thank you NHSLA for providing a loving environment for our children and a place for them to make long lasting Muslim friendships, Insha'Allah.

- Nouran, Kindergarten & Pre-K Parent

The teachers are so caring and are great about adapting teaching methods to suit each child's abilities and learning preferences. Our kids have thrived and learned so much, especially in their understanding of religion. They love God and are able to connect religious ideas with concepts they see in other [subjects]. They have so much fun at school!

- Shareef & Kallie, Kindergarten & Pre-K Parents

I value the school's approach to cultivating an Islamic environment. From this school, my children learned to pray and read the Qur'an. They learned stories about the prophets and other fundamental teachings. With events such as Hajj Simulation and the Qur'an Competition, they found joy in learning and Islam. The Islamic values they acquired from this school carry with them today. For this, I am very grateful.
